

## **Children's Ministry**

Children's Ministry will be providing care and programming for infants and children at both the 9:00 and 10:45 services.

We have polled the service time preferences of our families with Children's Ministry age children. Based on polling results, families of young children overwhelmingly favoured the 9:00 service and families of older children favoured the 10:45 services. As a result of this preference we will be allocating our leadership and programming resources accordingly and building for a larger early elementary group at 9:00, and a larger elementary group at 10:45.
