

The World Is Ending — For Leaders

Prayer resources:

If you want more information about the Anglican “daily office”—morning and evening prayer and compline, which Tyler mentioned in the sermon—you can look here: <https://www.churchofengland.org/prayer-and-worship/join-us-service-daily-prayer>.

Or you can try the “Daily Prayer” smartphone app from the Church of England, which has modern and traditional language options and the daily scripture readings and prayers.

The basic rhythm Tyler suggested as a possible alternative was: read a section of scripture, then confess sins, thanksgiving for blessings, petition for needs, and praise for who God is.
