## Children and Youth Programming for Two Sunday Morning Services

Little Trinity's Children and Youth ministries provides care and programming for infants, children, and youth at both the 9:00 and 10:45 am services.

We have allocated resources to provide the fullest programming possible based on children and family attendance preferences for either the 9:00 or 10:45 service. Based on polling results, families of young children overwhelmingly favoured the 9:00 service and families of older children favoured the 10:45 service. As a result, we are allocating our leadership and programming resources accordingly by building for a larger early elementary group at 9am, and a larger later elementary group at 10:45am.
