

SINCE 1842

Chancel Guild

The Chancel Guild is a traditional ministry working quietly behind the scenes. Amongst its duties, in the course of preparing the church for worship each week, the Guild

- * ensures that the wine, water, and bread are ready for the Minister to serve
- * places candles on the altar
- * launders the linen used at Communion
- * cares for Communion vessels and altar frontals

At Christmas the Guild decorates the tree and the church.

They also prepare the table for weddings and funerals and

other special services.

- The time commitment each Sunday is 20 minutes before each service and about 5-10 minutes after the service
- There two people per team for each service
- Training available via Diane Brailey
