

Missions Committee

Little Trinity's Missions committee supports our current mission partners in the following ways:

- Prayer
- Meeting with our mission partners for a debrief via zoom or in person when possible
- Individual meetings with mission partners for encouragement and personal support
- Financial – drawing up a budget to suggest annual support
- Placing articles in The Print to encourage congregational support of our Mission Partners
- Scheduling our Mission Moments during the services (either via video or in person when possible)

The missions Committee is also willing to meet with Little Trinity parishioners who are considering the mission service, to help discern direction. We then interview the candidates and if we feel that this what God is leading them to do, we recommend support to wardens.

The missions committee hosts occasional events for our mission partners to both get together socially as well as discussing current topics related to missions.

Time commitment needed for being on the mission committee:

- Meet once or twice a month (2 hours)
- Regularly liaise with a mission partner
- Attend and support two or three of the mission events being hosted

IF you are passionate about missions and have new ideas to help promote missions at Little Trinity please contact Peggy Smith at lettersarebetter@yahoo.ca
