Sidespeople

Sidespeople welcome and assist people in getting seated in church. They are an important part of the hospitality here at Little Trinity. Their main role is to help people feel welcomed and at home while they are with us each Sunday. They help to make the services flow smoothly so that people can worship without distractions.

The Role:

- orient visitors to the facilities (i.e. Washrooms, Children's ministry, etc.)
- encourage people to use their nametags and assist if they need a new name tag
- help with the elevator when needed.

Time Commitment:

- Typically serve once a month
- Arrive 20 minutes ahead of the service
