

SINCE 1842

Welcome Team

The welcome team is both the greeters and then concierge desk volunteers who oversee helping people navigating the space, making sure that people have the information they need for the services (ie. Is it - all ages service, where to find information regarding Pastoral care, small groups etc.). They are also involved in the newcomer ministry and general welcome and hospitality.

Duties:

- Greet people at the door
- Take visitors to the annex or Little T house if they have kids or youth in need of direction
- Work the concierge desk during coffee hour and be available to answer questions
- Offer a warm and welcoming experience for those entering the church each service
- Come to the Newcomers events
- Make sure visitors to Little T feel known and accepted with both greeting, after service check in and follow up with them.

Time commitment:

- Serve about once a month
- Arrive 20 minutes before the service to be ready for start of service
- Attend the newcomers events (twice a year)

Serving on the welcome team is a great way to connect with new people. It a great ministry for newcomers to join and feel connected to Little Trinity! If you are interested in learning more about the welcome committee please contact Orvin at olao@littletrinity.org
