

Following the Spirit

Acts 13:13-43

Read Acts 13:13-43 (if you think you have time, read from verse 1)

1. What does the phrase “following the Spirit” mean to you? Is it something you desire? What does or might it look like in your own life?
2. Once Barnabas and Saul were set apart by the Spirit for their mission (vs 2) how did they make their ministry decisions? (vs 4; vs 13; vs 14; 15:36-40)
3. What take-aways for our lives were highlighted in the sermon? They seem a bit contradictory. How can we hold them together?
4. What do we think happens to the Spirit’s leading when we choose badly (see especially 15:36-40)?
5. Was the stained glass analogy helpful in trying to express how who we are as people works together with the leading of the Holy Spirit?
6. Do you believe that we are a radiant people and that you are a part of that radiance?
